## 1. HISTORY, MISSION & VISION

### 1.1 // HISTORY

---

The story of Carmichael College's establishment began in 2002 with the land being purchased in South Morayfield. Since that date, rigorous planning and funding has been undertaken to give the Narangba Valley and surrounds a school created by members of its own community.

### 1.2 // MISSION

---

Our mission is to prepare students for life in the world and eternity by applying Biblical principles through excellent education in a distinctly Christian environment;

- > Expecting students to engage in rigorous educational programs
- > Encouraging students to know God and to identify and develop God-given abilities
- > Equipping students to become servant leaders who transform their communities and culture

### 1.3 // VISION

---

The vision of Carmichael College is to enrich minds through excellent education, transform hearts for Christ and serve in our community.

## 2. ADMINISTRATION & MANAGEMENT

### 2.1 // ADMINISTRATION

---

The working Directors, Mr S Ginn, Mr F Hatch and Mr B Sadler, are tasked with the administration of the College, formulating broad objectives, plans and policies, and overall decision-making. Mr S Ginn welcomes any enquiries regarding College Administration.

## **2.2// MANAGEMENT**

---

The responsibility for achieving College objectives, plans and policies, lies with the Carmichael Board and the Principal of Carmichael College.

The Board meets quarterly, and its primary function is to manage the College consistent with its mission and vision. A mixture of board and management personnel form the Operations Committee which meets fortnightly in between the board meetings.

## **2.3 // COLLEGE TO HOME COMMUNICATION**

---

Regular communication between the College and home is of great importance. The College will communicate with families by letters/notes, newsletters, email, SMS, the Facebook Families page or the College website.

Carmichael College operates a Carmichael Families Facebook page; a closed group for families with children enrolled at Carmichael College. There are specific rules around the use of this site.

- > Approval for membership is only given by Carmichael College Admin.
- > Only parents/care providers of students who are currently attending Carmichael College will be given membership approval.
- > New memberships will only be approved in November for families starting in the following year.
- > Membership is only for parents and care providers. Membership will not be approved for extended family members.
- > Families leaving Carmichael College will be able to remain members for one month after leaving, in order to sell second-hand uniforms. After this time, membership will be removed.
- > Photographs or names (including class lists) of any child other than your own must not be posted. Should you wish to share a photo with a group, please send them to [admin@carmichael.qld.edu.au](mailto:admin@carmichael.qld.edu.au)

## **2.4 // HOME TO COLLEGE COMMUNICATION**

---

- > Parents are encouraged to contact the College for any information about their children.
- > The first point of contact for parents is the teacher of the subject you would like to discuss. Parents may then contact the Head of Secondary should further clarification be needed.

- > Appointments to meet with the Principal should be made through the College Administration.
- > Appointments for teachers can be made by emailing your child's teacher directly. The use of email for communication is encouraged as long as it is written in a respectful and considerate manner.
- > Please advise the College of any changes to contact, personal and/or medical details. This is vital so parents can be contacted in the event of an accident at school, ensuring students receive appropriate medical care.
- > Student absences must be reported and explained on the first day of absence before 9am by telephoning or emailing Administration. A medical certificate is required if the student is away for more than 2 days due to illness.

### **3. > ACADEMICS**

#### **3.1 // MIDDLE SCHOOL PROGRAM**

---

The middle school program at Carmichael College is designed to provide support and structure within an engaging environment with dedicated spaces, so students reach their academic, social and developmental goals in a nurturing environment. Middle school is a significant time of growth, change, challenges and intense learning for students.

At Carmichael College Middle School encompasses Year 6, Year 7 and Year 8 to create a learning culture and community that is based upon the foundations of the Primary School, but tailored to meet the needs of growing adolescents.

##### Year 6

All Year 6 students are placed with a Pastoral Care Class and a Core Pastoral Care teacher. This teacher will work with the students for a significant portion of their timetable, teaching such subjects as English, Mathematics, and Devotions. In addition to those core subjects, students will study Design and Technology, Chinese, and a rotation of Arts activities.

##### Year 7

All Year 7 students are allocated to a Form class and corresponding teacher. This teacher will work with the students for a significant portion of their timetable, teaching subjects such as English, Mathematics, and Devotions. In addition to those core subjects, students will study Design and Technology, Chinese, Christian Studies, and the Arts with a specialist teacher.

## Year 8

Year 8 will commence in 2021. The format of the Year 8 timetable will be similar to Year 7 with a Form teacher for a significant portion of the week and specialist teachers' areas such as The Arts, Design and Technologies, Health and Physical Education, Chinese, Science, and Digital Technologies.

## Additional Subjects

Across Middle School students will also experience lessons in "Design Centred Learning", which creates opportunities for students to apply all areas of learning across the Australian Curriculum to real-world design solutions.

Our Middle Schoolers will also spend some time in developing Study Skills to support their transition to Secondary School and prepare them for the rigours of the Senior Years. Topics will include; Locker Use, Diary Organisation and Management, Homework Planning and Completion, Assessment Strategies, Identification of Learning Styles, Online Resources and Research, Referencing, and Assessment Policy and Expectations.

## **3.2 // HOMEWORK AND ASSIGNMENTS**

---

Homework in Middle School is distinctively different to Primary School. Students receive homework from multiple teachers/subjects and begin to quickly learn the need to be organised and to set aside time most afternoons/evenings to ensure they are keeping up with the requirements of the subject.

## Year 6

Homework in Year 6 may resemble homework similar to the primary school in the first semester. In second semester homework changes as students are provided with homework across a number of subjects with deadlines. Students will be explicitly taught to make good use of time, to organise themselves, and to set aside a study time to complete tasks by due dates.

## Years 7 and 8

Homework in Year 7 and 8 takes the form of reviewing material covered during the school day and completing tasks and assessment items set by teachers. It is an expectation that homework is completed by the due date. If it is not done, students will be required to complete this at school in break times and parents will be contacted if it is not consistently completed. Your child can expect to spend up to 3 – 4 hrs per week on homework.

### **3.3 // ASSESSMENT AND REPORTING**

---

Assessment is ongoing for all grades. There are times towards the end of terms when whole year level testing occurs, especially in the upper grades. A parent information evening is held in the first few weeks of Term 1. Parent/teacher interviews are held at the end of Term 1 - please refer to the College Calendar for specific dates.

#### **Middle School**

In middle school, assessment is more formal and is implemented according to an assessment schedule. Students may be required to submit drafts in certain subjects prior to due dates, for feedback purposes.

### **3.4// CAMPS AND EXCURSIONS**

---

Carmichael College is committed to the provision of educationally valid excursions, including camps. Excursions will be prepared, managed, supervised and monitored in a way that seeks to ensure the health, safety and security of the participating students and staff, as well as others who may be affected by the conduct of an excursion.

Inclusion in non-compulsory camps or excursions is by application and at the discretion of the Principal and the Finance Committee. Up-to-date payment of school fees and continued good behaviour are among the minimum requirements considered upon application.

### **3.5 // SCHOOL BOOKS AND CLASSROOM REQUISITES LIST**

---

Booklists are outsourced to EDSCO. Their contact details are listed on the booklist.

**Website Ordering** - Website ordering can be made at <http://www.edsco.com.au>

## 5. FEES 2021

The fee schedule below is for domestic students only. Fees for overseas students may be obtained from the Registrar.

## TUITION FEES FOR MIDDLE SCHOOL IN 2021

LEVEL	ANNUAL	THE ANNUAL FEE IS SPLIT ACROSS 4 TERM PAYMENTS			
		TERM 1	TERM 2	TERM 3	TERM 4
Year 6	\$4,160	\$1,040	\$1,040	\$1,040	\$1,040
Year 7	\$5,400	\$1,350	\$1,350	\$1,350	\$1,350
Year 8	\$5,400	\$1,350	\$1,350	\$1,350	\$1,350

### 5.1 // TUITION FEES

---

Carmichael College’s strategic plan identifies that the College is to conduct its relationships, programs and business dealings in a way that demonstrates Christian values and ethics. Parents are likewise accountable to the College for prompt and full payment of invoiced fees according to the terms of enrolment.

We have a one-fee policy. Costs for all compulsory curriculum and class-based activities and excursions are included in the tuition fees. Optional extra-curricular activities will be charged separately where applicable and must be paid for prior to the event. The one-fee policy does not cover consumable items such as stationery, booklists or uniforms.

**1. Due Dates** - Fees are due on the **first day of each term** unless an alternate schedule has been agreed to in writing with the Accounts Manager. Fee invoices will generally be issued 21 days prior to the commencement of the school term. If fees are not paid by the due date, and a current payment plan has not been signed, the account will be listed as overdue and placed under review by the Finance Committee.

**2. Early Payment Discount** – An early payment discount of 5% off the tuition fees applies if the full year’s tuition fees are paid prior to the first day of the school year.

**3. Family Discount** - The following reduction in tuition fees is applied when more than one student per family attends the College in Prep to Year 8:

**2 Students** – 10% reduction on tuition only

**3 Students** – 15% reduction on tuition only

**4 Students** – 25% reduction on tuition only

**5 Students** – 30% reduction on tuition only

**6 Students** – 40% reduction on tuition only

This discount is applied to each child in the family (i.e. a family of 3 students at Carmichael College would attract 15% off each child’s tuition fees).

## FAMILY DISCOUNT EXAMPLES

Year Level	Gross Tuition	Discount (%)	Discount (\$)	Net Tuition Fees
------------	---------------	--------------	---------------	------------------

### Family with 2 students enrolled at Carmichael College

Child 1	\$4,160	10%	\$416	\$3,744
Child 2	\$5,400	10%	\$540	\$4,860
<b>TOTAL</b>	<b>\$9,560</b>		<b>\$956</b>	<b>\$8,604</b>

### Family with 3 students enrolled at Carmichael College

Child 1	\$4,160	15%	\$624	\$3,536
Child 2	\$4,160	15%	\$624	\$3,536
Child 3	\$5,400	15%	\$810	\$4,590
<b>TOTAL</b>	<b>\$13,720</b>		<b>\$2,058</b>	<b>\$11,662</b>

**5. Contacting Accounts** - The preferred method of communication with the Accounts Manager is via email ([accounts@carmichael.qld.edu.au](mailto:accounts@carmichael.qld.edu.au)). This is especially important if you are making requests to the Accounts Manager so that two-way communication can be fully documented for future reference. Parents are also strongly encouraged to provide a current email address to ensure that important financial information such as invoices, payment plans and other notifications are received in a timely manner.

**6. Payment Method** - Our preferred method of payment is **BPAY**.

**7. On-Time Payment of Fees** - The College has a strict policy that fees are to be kept current in order for the College to remain sustainable and affordable for everyone. You may want to consider implementing a regular payment plan in co-operation with the Accounts Manager to spread the cost of your fees over the course of the year. Failure to pay fees may result in your child's enrolment being cancelled. Communication with the Accounts Manager is vital if you experience a sudden or unexpected financial difficulty. All parents or guardians who have signed a Confirmation of Enrolment and/or Enrolment Contract are jointly and severally liable for the payment of fees. The College reserves the right to add an overdue charge of 10% of the outstanding balance if fees remain unpaid at the end of the year.

**8. Notification of Withdrawal** - Notification of withdrawal of enrolment from the College must be provided in writing (letter or email) giving one full term's notice. Otherwise, fees for the following term become due and payable. We commit resources on the basis of confirmed enrolments and will suffer loss from inadequate notification of termination.

**9. Confirmation of Enrolment Fee** - The Confirmation of Enrolment fee of \$300 is payable immediately when the student enrolment position is confirmed. The Confirmation of Enrolment fee is non-refundable if the student does not start at the College on the agreed starting date. The paid Confirmation of Enrolment fee will be transferred to the student's school fee account when the student commences at the College.

**10. Remission of Fees** – No remission of fees, either in whole or in part, will be made should the student be absent for any reason whatsoever, including circumstances where the student is suspended or expelled from the College.

**11. Building Fund/Library Fund Contributions** (tax deductible): The suggested contribution is \$250 per year per family. Cheques are to be made payable to the Carmichael College Building Fund.

**12. Instrumental Music** - Private music lessons are invoiced directly by the instrumental teacher. Group instrumental lessons for students in Years 4 to 5 are free of cost. Instrument hire, for those students who require it, of \$50 per term will be invoiced at the start of each term with a once off instrument bond of \$50. The bond is refunded in full when the student ceases lessons and returns the instrument in good condition. Parents are expected to pay all invoices before students will be permitted to participate in lessons.

**13. Excursions, Camps and Extra-Curricular Activities** - Excursions and camps are beneficial learning activities and are encouraged. The cost of these activities is usually included in the tuition fees. Where the cost of an excursion, camp, or other activity is significant, an amount will be **charged separately** during the term in which the event occurs. Before implementing these activities, teachers are required to consider the interests of students and the cost impact upon families, and justify the need for them to College management.

The cost of these separate excursions or camps must be **paid in full prior to the event**. Where tuition fees are outstanding, parents are expected to bring their account up to date before students will be permitted to attend the compulsory excursion or camp.

## 6.4 // FOOD ALLERGIES

---

### CARMICHAEL COLLEGE IS A NUT AND EGG-FREE ZONE

#### Information on Food Allergies

A food allergy is an immune system response to a normally harmless food protein that the body believes is harmful. When the individual eats food containing that protein, the

immune system releases massive amounts of chemicals, triggering symptoms that can affect a person's breathing, gastrointestinal tract, skin, and/or heart. Anaphylaxis is the most severe form of allergic reaction and is potentially life-threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

It is estimated that up to 400,000 (2%) Australians, including 1 in 20 children suffer from food allergies and some of them will experience a life-threatening (anaphylactic) reaction.

Peanuts are the leading cause of severe allergic reactions, while egg is the most common allergen. Adrenaline is the first line treatment for severe allergic reactions and can be administered via auto-injector, called the EpiPen®/Anapen®.

To learn more about anaphylaxis and food allergies, you can visit the following websites:

[www.allergyfacts.org.au](http://www.allergyfacts.org.au)

[www.allergy.org.au](http://www.allergy.org.au)

As the only way to manage a food allergy is avoidance, the College has implemented several strategies to help prevent a severe allergic reaction. We can never totally eliminate the risk of anaphylaxis but we can do all things that will help to lessen the risk.

**Therefore, we have a no nuts and no egg policy at the College.**

This means that no nut products are to be brought to school. This includes nut spreads such as peanut paste and nutella. Eggs and egg products are more complex. No egg-based products such as quiches, frittatas and egg sandwiches are to be brought to school. There are many other alternatives for lunchboxes.

## 7. HEALTH & SAFETY

### 7.1 // GENERAL

---

The Bible tells us that our children are fearfully and wonderfully made by God (Psalm 139:14). Every hair on their little heads are numbered (Luke 12:7). Carmichael College recognises that protecting students from harm and the risk of harm is fundamental to maximising their personal and academic potential. For these reasons the welfare and best interests of your children will always be our primary consideration.

Carmichael College is strongly committed to the care and well-being of students and staff and this section describes policies on Child Protection, Bullying and Harassment, Sun Protection and Code of Conduct.

The interests of the students are best served when home and school are **united** in their approach. Parents are therefore required to support the Policies and Guidelines of the College. Policies may be varied at any time and will be communicated either by announcement at school assembly, publication in the school's newsletter, through daily notices to students, or on the College website.

We expect our students to show respect to our staff, volunteers, and their peers, and comply with safe practices. Employees must ensure that their behaviour towards, and relationships with students, reflect proper standards of care for students and are not unlawful. The College will respond diligently to a report of suspected or actual harm, or risk of harm to a student.

## **7.2 // PROTECTION FROM HARM**

---

### **a) What is harm?**

Queensland legislation defines harm as any detrimental effect of a significant nature on the child's physical, psychological or emotional wellbeing. Harm can be caused by:

- > Physical, psychological or emotional abuse or neglect
- > Sexual abuse or exploitation
- > Domestic or family violence

### **b) How does the College try to prevent harm?**

The Principal, and the Workplace Health & Safety Officer ensure that:

- > Staff understand and fulfil their obligations under the policies of the College
- > New staff provide an acceptable reference from their previous employer
- > Non-teaching staff and non-parent volunteers who have contact with children have a current positive suitability notice issued by the Commissioner for Children and Young People and Child Guardian

### **c) How will the College help my child?**

If the Principal receives a report of harm to your child, they will support the child by:

- > Responding rapidly and diligently to the report
- > Reassuring the student

- > Protecting the child's confidentiality as much as possible
- > Offering continuous support
- > Providing counselling if requested

**d) What should you do if you become aware or reasonably suspect that harm has been caused to a student of the College by a member of staff, someone outside of the College or by other students?**

You should report your concerns to the Principal or to any other College staff member.

**e) What will happen next?**

If you report your concerns to staff other than the Principal, staff will report it immediately to the Principal. If the complaint concerns the Principal, then staff will report it to the Executive Director who is Chairman of the Carmichael Board. Any action that needs to be taken under staff disciplinary procedures as a result of an allegation not requiring police intervention will be handled confidentially within the College.

It will be reported to police immediately if the harm relates to sexual abuse; or to the Department of Families if appropriate; or it may be dealt with internally if the matter does not require mandatory reporting to an outside authority.

**f) What about confidentiality?**

It is our policy that confidentiality between the College and parents will be respected and any concerns raised by parents will not rebound adversely on their children. Thus, knowledge of it will be limited to the Principal, the Executive Director and those directly involved.

Each person who has access to information regarding suspected or disclosed harm has an obligation to observe appropriate confidentiality. However, the College is unable to promise absolute confidentiality since the steps of the Policy will require disclosing, internally and externally, certain details involved in responding to the report. State authorities can compel people to give evidence about actions under the Policy and to produce documents. You would be fully informed if information you provided were to be passed on to a third party.

**g) What should I do if I require more information?**

The College's complete Child Protection Policy is available at Reception. Parents and students may access this policy at any time. You may also make an appointment to discuss the policy with the Principal if you wish to clarify any matters.

### **7.3 // BULLYING (INCLUDING CYBERBULLYING)**

---

#### **a) Definition**

By definition, bullying is **repeated** oppression, psychological or physical, of a less powerful person or group by a more powerful person or group. It may be manifested in many ways e.g. harassment (verbal, sexual or psychological), victimisation, alienation, coercion, intimidation, exclusion, ostracism, discrimination. Bullying results in hurt, fear, loss of self-esteem and decreased social effectiveness for the victim.

In any form, bullying is not acceptable behaviour within Carmichael College because it is entirely contrary to the ideals of the school. In accordance with the school's behaviour plan, Carmichael College seeks to eradicate bullying by developing in the classroom and publicly in assemblies:

- > The belief that all students belong here (Resilience Rule 1)
- > Student respect and concern for others, of all races and creeds
- > Student responsibility for their own behaviour
- > Critical and effective thinking and problem-solving skills in students
- > An environment that nurtures and promotes student self-worth.

#### **b) Dealing with reports of bullying**

The following steps are a guide to dealing with reports of bullying.

1. It is never acceptable to the College to turn a blind eye to bullying. If bullying is reported, staff will act immediately to ensure student safety.
2. A clear account of the incident will be recorded and given to the Principal or delegate.
3. The Principal or delegate will then work through the school's Bullying Prevention Policy.

#### **c) Help for students**

Students who have been bullied will be helped and supported by:

- > reassuring the student
- > offering support

- > providing encouragement to form and maintain friendships with non-bullying students
- > discovering why the student became involved
- > establishing the wrongdoing and the need to change
- > enlisting the support of parents/caregivers to help change the behaviour and the attitude of the bullied student, and the bully, where appropriate

#### **7.4 // SUN PROTECTION**

---

Students in middle school must wear either the College hat or cap (see section on Uniforms) and sunscreen for all outdoor activities for all seasons, including winter. Sunscreen is provided by the College and kept in classrooms, and sports kits.

Where possible, events are organised outside peak UV radiation periods. Sun protection issues are included in the health curricula.

#### **7.5 // CODE OF CONDUCT**

---

- > The purpose of the Carmichael College Behaviour Management Plan is to facilitate an environment which supports the development of students to make responsible choices and own their behaviour. The Christian orientation of the College means that the responsibility of the students is to respect authority, be responsible and care for others. Students are encouraged to participate in and contribute to the broader life of the College.
- > Carmichael College has identified the following school rules to teach and promote our high standards of responsible behaviour:
  - Be safe
  - Be responsible
  - Be respectful.
- > Students are encouraged to participate in and contribute to the broader life of the College.
- > Students are expected to represent the College and its high standards of behaviour and dress at all times, including during travel to and from school and when in public. Students must understand that their behaviour at all times impacts the reputation of the College and the Carmichael community. Behaviours that adversely affect the well-being of the community will be investigated and dealt with according to the Behaviour Management Policy.
- > Standards of honesty, courtesy, modesty, and moral purity in action and language are to be maintained.

- > Students must remain in the grounds unless prior permission has been obtained from an approved College Officer. Students must be signed out by a parent or guardian when leaving before 3.00pm.
- > Students are expected to wear their uniforms consistent with the uniform policy.
- > The appropriateness of uniforms and appearance is determined by the Principal and Staff.
- > Each student is expected to respect the property rights of the school and every member of the school. All breakages and damage must be reported to the Principal or Staff immediately by the person responsible. All breakages and damage caused by irresponsible or malicious actions of a student must be paid for by the student, parents or guardian of the student. Payment for breakages and damage will be in addition to any disciplinary measures or other appropriate action deemed necessary by the College.
- > It is a criminal offence to use mobile phones and other devices to menace, harass or offend another person. Students who use their phones/devices to engage in personal attacks, harass another person, or post private information about another person using digital messages, taking or sending photos or objectionable images or bullying other students, or who use vulgar, derogatory or obscene language while using a device will have their devices confiscated for a period decided by the Principal. Students should note that, in extreme cases, the school will involve the police.
- > Students are not permitted to upload any media to the web which identifies the College in any way without permission from the Principal.

## **7.6 // DETENTIONS AND SUSPENSIONS**

---

- > The College will encourage students to respect the behaviour code.
- > Students who disrupt classes, breach school rules and/or display disrespectful behaviour will be dealt with according to the behaviour management plan.
- > Students will be transitioned through progressive levels of consequences if wrong behaviours continue, which may include detention, suspension or exclusion.
- > Any process involving suspension or exclusion will involve interaction with parents.
- > The Principal is the final arbiter on matters of behaviour management.

## 7.7 // COMPLAINTS RESOLUTION POLICY

---

Carmichael College takes seriously sincere complaints and concerns that may be raised by parents, and they will be dealt with promptly. If a parent has a grievance concerning a student or their child's teacher, please discuss the issue in the first instance, with the teacher. If the problem is not resolved then please contact the Heads of Department, and/or Principal if required.

## 7.8 // HEALTH

---

### a) Sick Students

It is paramount that if your child is sick to please keep them at home. Parents will be contacted by the school to collect students who exhibit signs of illness during the day.

### b) First Aid

First Aid may be provided at school. In the case of a serious injury or illness, parents will be requested to take their child to a doctor or hospital. Where there is an emergency, the College will call for an ambulance to attend the scene and determine if it is necessary for the student to be transported to hospital.

### c) Infectious Diseases

Please be considerate of your child's friends and teachers, and those students who are immune-compromised. The illnesses shown below spread quickly and easily through whole classes and families. Parents should ensure that children are appropriately vaccinated. This table should be read in conjunction with the ['time out' poster](#) published by the Queensland Department of Health.

ILLNESS	EXCLUSION PERIOD
Chicken pox	At least 5 days after last eruption when all blisters have crusted
Diarrhoea and/or Vomiting	At least <b>24 hours without symptoms (unless otherwise specified by doctor or Qld Health)</b> i.e. 24 hours from the last loose bowel motion or vomit
German measles (rubella)	At least 4 days from when rash appears
Measles	At least 4 days from when rash appears
Mumps	At least 5 days after onset of swelling
School sores (impetigo)	At least 24 hours on antibiotics

Whooping cough  
(pertussis)

At least 5 days on antibiotics or 21 days from the onset of coughing

#### **d) Medication**

If children are ill enough to require medication, they should remain at home. If, however, a child is well enough to attend school but needs medication, then prescribed medication will only be administered by Carmichael College staff if:

1. Written authorisation is received from the child's parent or care provider. Please complete the Student Medication Request Form available from the College Administration.
2. The medication is supplied in its original container clearly labelled by a pharmacist with the child's name.

Treatment for long-term conditions such as anaphylaxis, asthma, epilepsy, diabetes and mental health requires a medical plan from the child's medical practitioner or specialist detailing the medical condition of the child and how the condition is to be managed. This is in addition to the written authorisation for the administration of medication.

### **7.9 // LATE SLIPS AND EARLY DEPARTURES**

---

For late arrivals, students and their parent/care provider must first report to Administration. The student will be given a late slip and must hand it to their class teacher. If a student is being collected early, parents/care providers must sign their child out at Administration prior to collecting the student from their classroom.

### **7.10 // FRIENDSHIPS**

---

Students are encouraged to make friends and be friendly to others. However, we have a "hands-off" policy that precludes outward displays of affection between students while at school or travelling to and from school and at school events.

### **7.11 // LOST AND FOUND**

---

The lost property table is located outside Room C2. Please ensure all of your child's belongings are NAMED.

## **7.12 // MOBILE PHONES AND ELECTRONIC DEVICES**

---

Students may bring mobile phones to school if it is a requirement of their parents. Phones must stay in the student's locker from the first bell in the morning until the final bell in the afternoon. Should students be found on their phones during the day, their phone will be confiscated and returned at the end of the day. Should students continue to be in breach of the mobile phone use policy, students will then be required to hand their phones in to Admin every morning, alternatively they will be confiscated until the end of term. The College accepts no responsibility for students who lose or have their phone stolen while at or in transit to/from school. Phones may be left at Administration in the morning and collected in the afternoon if preferred.

Students are not to use any devices to take photos or film, without the teacher's permission. Student device use must adhere to the Student Acceptable Use Policy, whereby device use is strictly for teacher-specified educational purposes only.

Access to the school network (wi-fi, internet, printers, etc.) is through the school firewall on school-owned devices, to maintain a safe environment for students.

## **7.13 // SOCIAL NETWORKING – ELECTRONIC MEDIA**

---

It is a condition of enrolment and continued enrolment at Carmichael College that students adhere to the following boundaries in regard to social networking sites and electronic media:

- > Students must demonstrate respect for others and the College.
- > Students must not make any comment on social networking sites (whether the profile or user-generated content is identifiably theirs or belonging to someone else) or any other digital media including email that targets any Carmichael College student or staff member with perceived negative intent, or undermines the name and/or good work of the College.
- > Students must not upload to the web, photos or videos taken on the College campus, or which identify the College in any way without the permission of the Principal.

## **7.14 // INTERNET SAFETY TIPS FOR PARENTS**

---

Here are some safety tips from [www.cybersmartkids.com.au](http://www.cybersmartkids.com.au):

- > Spend time online with your kids. Check out good sites together.
- > Help your kids use the Internet as an effective research tool.
- > Be aware of online stranger danger, particularly in chat rooms. Set house rules about what information your children can give to others and where they can go online.

- > Put the Internet computer in a visible area of the home, such as the living room, rather than a child's bedroom.
- > Talk to your kids about their Internet experiences, the good and the bad. Let them know it is okay to tell you if they come across something that worries them. (It doesn't mean that they're going to get into trouble.)
- > Teach your kids that there are ways they can deal with disturbing material – they should not respond if someone says something inappropriate and they should immediately exit any site if they feel uncomfortable or worried.
- > Teach children that information on the Internet is not always reliable.
- > Encourage children to treat others in the same way they should in real life by giving them understanding of "netiquette".
- > Know the best ways of avoiding SPAM.
- > Consider using filters, labels and safe zones.

## **7.15 // MONEY AND VALUABLES**

---

- > Students must not bring large sums of money or other items of value to school. If, however, it is necessary, any money or valuable item(s) should be left in safekeeping with Administration. They can be collected at the end of the school day. The College accepts no responsibility for loss of money and/or valuables or damage to same. Wallets should not be left in school bags or lockers.
- > Electronic devices such as portable CD players, iPods, mp3s and mp4s, cameras etc. should not be brought to school and if found, will be confiscated and returned at a later date.
- > Cameras are not to be brought to school. Where students are required to take photographs for field reports the College will supply one of its own cameras for student use under teacher supervision.

## **7.16 // STUDENT TRAVEL TO AND FROM SCHOOL**

---

### **a) Internal Road Safety**

- > Parents are asked to observe the speed limits (15kph) posted on the College internal roads.
- > Special care is required where pedestrians and vehicles may use the same area or where children may cross internal roads.
- > Children accessing on-site car parks, must remain with parents/care providers at all times. There are no median strips available apart from the Drop and Go zone.

## **b) Student Cycling**

Students may cycle to school provided they are competent riders, their bicycles are in safe working condition, students wear appropriate bicycle helmets and are accompanied by an adult. Oakey Flat Road is a 70/40kph zone outside the College. Students should dismount when crossing all roads. Students must abide by road rules, and dismount once in the school grounds.

## **c) Bus Transport**

Carmichael College operates a morning and afternoon shuttle bus for older siblings that attend Mueller College Secondary Campus. Please speak to Admin for more details.

Parents or care providers with further questions about the bus services available should call KBL on 1300 287 525, Monday to Friday between 8am and 4pm. Students will require a [Translink go-card](#) or a [STAS \(Student Transport Assistance Scheme\) bus pass](#) (if eligible) in order to use these bus services.

## **7.17 // VISITORS**
