1. HISTORY, MISSION & VISION

1.1 // HISTORY

The story of Carmichael College's establishment began in 2002 with the land being purchased in South Morayfield. Since that date, rigorous planning and funding has been undertaken to give the Narangba Valley and surrounds a school created by members of its own community.

1.2 // MISSION

Our mission is to prepare students for life in the world and eternity by applying Biblical principles through excellent education in a distinctly Christian environment:

- > Expecting students to engage in rigorous educational programs
- > Encouraging students to know God and to identify and develop God-given abilities
- > Equipping students to become servant leaders who transform their communities and culture

1.3 // VISION

The vision of Carmichael College is to enrich minds through excellent education, transform hearts for Christ and serve in our community.

2. ADMINISTRATION & MANAGEMENT

2.1// ADMINISTRATION

The working Directors, Mr S Ginn, Mr F Hatch and Mr B Sadler, are tasked with the administration of the College, formulating broad objectives, plans and policies, and overall decision-making. Mr S Ginn welcomes any enquiries regarding College Administration.

2.2// MANAGEMENT

The responsibility for achieving College objectives, plans and policies, lies with the Carmichael Board and the Principal of Carmichael College.

The Board meets quarterly, and its primary function is to manage the College consistent with its mission and vision. A mixture of board and management personnel form the Operations Committee which meets fortnightly in between the board meetings.

2.3 // COLLEGE TO HOME COMMUNICATION

Regular communication between the College and home is of great importance. The College will communicate with families by letters/notes, newsletters, email, SMS, the Facebook Families page or the College website.

Carmichael College operates a Carmichael Families Facebook page; a closed group for families with children enrolled at Carmichael College. There are specific rules around the use of this site.

- > Approval for membership is only given by Carmichael College Admin.
- > Only parents/care providers of students who are currently attending Carmichael College will be given membership approval.
- > New memberships will only be approved in November for families starting in the following year.
- > Membership is only for parents and care providers. Membership will not be approved for extended family members.
- > Families leaving Carmichael College will be able to remain as members for one month after leaving, in order to sell second-hand uniforms. After this time, membership will be removed.
- > Photographs or names (including class lists) of any child other than your own must not be posted. Should you wish to share a photo with a group, please send them to admin@carmichael.qld.edu.au

2.4 // HOME TO COLLEGE COMMUNICATION

- > Parents are encouraged to contact the College for any information about their children.
- > The **first** point of contact for parents is the child's teacher. Parents may then contact the Principal should further clarification be needed. Appointments to meet with the Principal should be made through the College Administration.

- > Appointments for teachers can be made by emailing the child’s teacher directly. The use of email for communication is encouraged as long as it is written in a respectful and considerate manner.
- > Please advise the College of any changes to contact, personal and/or medical details. This is vital so parents can be contacted in the event of an accident at school, ensuring students receive appropriate medical care.
- > Student absences must be reported and explained on the first day of absence before 9am by telephoning or emailing Administration. A medical certificate is required if the student is away for more than 2 days due to illness.

3. ACADEMICS

3.1 // CURRICULUM

Carmichael College is a distinctly Christian school that promotes a seamless education from Prep to Year 8.

3.1.1 // PREP

Prep students bring with them a great array of learning gleaned from home, the communities they mix with, and from other settings such as kindy, playgroups and church. Prep seeks to both build on this prior learning, and provide a foundation for the key learning areas students will encounter in Year 1. The Australian curriculum forms the basis for our learning programs, and in the early years, the general capability areas of literacy and numeracy are fundamental to these learning programs.

Teachers plan programs for learning and development which employ guided and free play, investigations, real-life simulations and focused teaching and learning. Christian studies are also included in our program as the teaching of the Bible is foundational to all aspects of life and learning at Carmichael College.

A child’s progress is monitored and assessed by gathering information throughout the year from everyday learning activities. An overall picture of a child’s learning and development is reported to parents through Parent/Teacher Interviews and the child’s report card.

Prep Report Card

The Prep report card documents teacher judgements made about learning and development in each of the key learning areas. The report card uses 5 phrases to describe learning:

- > Emerging
- > Developing
- > Demonstrating
- > Advancing
- > Extending

Prep Children's Daily Requirements

- > A bag big enough to fit all of the child's belongings
- > A healthy fruit or vegetable "brain break" snack – packed separately
- > Morning tea and lunch (please ensure this is NOT pre-packed sugary food)
- > **A spare change of clothes** – VERY IMPORTANT
- > A drink bottle containing water only – **No cordial or poppers please**
- > A broad brimmed school hat – NO HAT, NO PLAY

Important Note about Prep

Please avoid placing unrealistic expectations upon your children. We all want our children to do well, but there is a fine line between healthy expectations and making children anxious because they feel they cannot live up to those expectations.

Keep in mind that children need time just to be children (time that is not programmed) when they can relax, play and enjoy whatever activity they want to do. Your child will come home having argued with a friend at some point. Please don't try to solve the issue for them; talk with them and pray with them about it. They will likely be friends again tomorrow.

The key thing for your child in the first year of school, is having a sense of wellbeing and involvement. You will know if this is happening because your child will be:

- > Having fun
- > Making friends
- > Enjoying new learning experiences
- > Developing their content knowledge

Allow your child to develop responsibility. Let them carry their own bags and unpack their belongings in the classroom.

Allow your child to develop resilience. Don't protect them from failure. Support them in learning how to deal with failure or making mistakes as an everyday part of life.

3.1.2 // PRIMARY

Students are taught all learning areas of the Australian Curriculum. Additionally, students have the benefit of a specialist teacher for HPE, Chinese, Music and Library. All students participate in a daily devotional program and Chapel on a Friday. All students are expected to take part in all aspects of the program provided. From Year 4, students may elect to join the instrumental music program which incurs an instrument hire fee. Students may also choose to take private instrumental lessons during school hours. Prices of private music lessons vary and payment is made directly to the teacher. Private lessons currently on offer include violin, drums, bass guitar, guitar and piano/keyboard.

3.1.3 // HOMEWORK AND ASSIGNMENTS

Students will be expected to review all material covered during the school day and to complete tasks assigned by the teacher. You can expect your child to spend the following amount of time on homework:

Prep School	<i>Sight words, home reading and phonics revision</i>
Year 1- 4	<i>Up to 1 hour per week</i>
Year 5	<i>Up to 2 hours per week</i>

All Primary children are expected to learn memory verses, review times tables, spelling and read aloud to parents. Homework should not be an imposition and if you have concerns, please contact your child's teacher.

3.1.4 // EXCURSIONS / CAMPS

Carmichael College is committed to the provision of educationally valid excursions, including camps. Excursions will be prepared, managed, supervised and monitored in a way that seeks to ensure the health, safety and security of the participating students and staff, as well as others who may be affected by the conduct of an excursion. See Section 5.1 point 13 for information about costs.

Inclusion in non-compulsory camps or excursions is by application and at the discretion of the Principal and the Finance Committee. Up-to-date payment of school fees and

continued good behaviour are among the minimum requirements considered upon application.

3.2 // ASSESSMENT AND REPORTING

Assessment is ongoing for all grades. There are times towards the end of terms when whole year level testing occurs, especially in the upper primary grades. A parent information evening is held in the first few weeks of Term 1. Parent/teacher interviews are held at the end of Term 1 - please refer to the College Calendar for specific dates. Informal assessment is ongoing and regular throughout the year. Formal report cards will be issued at the end of each Semester and will provide a summary of the progress of the student. Parents are encouraged to communicate with class teachers by email if there are any concerns or problems.

3.3 // SCHOOL BOOKS AND CLASSROOM REQUISITES LIST

Booklists are outsourced to EDSCO. Their contact details are listed on the booklist.

Website Ordering - Website ordering can be placed at <http://www.edsco.com.au>

Secure online payment via Visa or MasterCard is required when you place your order online. Please refer to the booklist for further information.

5.1 // TUITION FEES

Carmichael College's strategic plan identifies that the College is to conduct its relationships, programs and business dealings in a way that demonstrates Christian values and ethics. Parents are likewise accountable to the College for prompt and full payment of invoiced fees according to the terms of enrolment.

We have a one-fee policy. Costs for all compulsory curriculum and class-based activities and excursions are **included** in the tuition fees. **Optional** extra-curricular activities will be charged separately where applicable, and must be paid for prior to the event. The one-fee policy does not cover consumable items such as stationery, booklists or uniforms.

1. Due Dates - Fees are due on the **first day of each term** unless an alternate schedule has been agreed to in writing with the Accounts Manager. Fee invoices will generally be issued 21 days prior to the commencement of the school term. If fees are not paid by the due date, and a current payment plan has not been signed, the account will be listed as overdue and placed under review by the Finance Committee.

2. Early Payment Discount – An early payment discount of 5% off the tuition fees applies if the full year’s tuition fees are paid prior to the first day of the school year.

3. Family Discount - The following reduction in tuition fees is applied when more than one student per family attends the College in Prep to Year 8:

- 2 Students** – 10% reduction on tuition only
- 3 Students** – 15% reduction on tuition only
- 4 Students** – 25% reduction on tuition only
- 5 Students** – 30% reduction on tuition only
- 6 Students** – 40% reduction on tuition only

This discount is applied to each child in the family (i.e. a family of 3 students at Carmichael College would attract 15% off **each** child’s tuition fees).

FAMILY DISCOUNT EXAMPLES				
Year Level	Gross Tuition	Discount (%)	Discount (\$)	Net Tuition Fees

Family with 2 students enrolled at Carmichael College				
Child 1	\$4,160	10%	\$416	\$3,744
Child 2	\$4,160	10%	\$416	\$3,744
TOTAL	\$8,320		\$832	\$7,488

Family with 3 students enrolled at Carmichael College				
Child 1	\$4,160	15%	\$624	\$3,536
Child 2	\$4,160	15%	\$624	\$3,536
Child 3	\$4,160	15%	\$624	\$3,536
TOTAL	\$12,480		\$1,872	\$10,608

5. Contacting Accounts - The preferred method of communication with the Accounts Manager is via email (accounts@carmichael.qld.edu.au). This is especially important if you are making requests to the Accounts Manager so that two-way communication can be fully documented for future reference. Parents are also strongly encouraged to

provide a current email address to ensure that important financial information such as invoices, payment plans and other notifications are received in a timely manner.

6. Payment Method - Our preferred method of payment is **BPAY**.

7. On-Time Payment of Fees - The College has a strict policy that fees are to be kept current in order for the College to remain sustainable and affordable for everyone. You may want to consider implementing a regular payment plan in co-operation with the Accounts Manager to spread the cost of your fees over the course of the year. Failure to pay fees may result in your child's enrolment being cancelled. Communication with the Accounts Manager is vital if you experience a sudden or unexpected financial difficulty. All parents or care providers who have signed a Confirmation of Enrolment and/or Enrolment Contract are jointly and severally liable for the payment of fees. The College reserves the right to add an overdue charge of 10% of the outstanding balance if fees remain unpaid at the end of the year.

8. Notification of Withdrawal - Notification of withdrawal of enrolment from the College **must be provided in writing** (letter or email) giving **one full term's notice**. Otherwise, fees for the following term become due and payable. We commit resources on the basis of confirmed enrolments and will suffer loss from inadequate notification of termination.

9. Confirmation of Enrolment Fee - The Confirmation of Enrolment fee of \$300 is payable immediately when the student enrolment position is confirmed. The Confirmation of Enrolment fee is **non-refundable** if the student does not start at the College on the agreed starting date. The paid Confirmation of Enrolment fee will be transferred to the student's school fee account when the student commences at the College.

10. Remission of Fees – No remission of fees, either in whole or in part, will be made should the student be absent for any reason whatsoever, including circumstances where the student is suspended or expelled from the College.

11. Building Fund/Library Fund Contributions (tax deductible): The suggested contribution is \$250 per year per family. Cheques are to be made payable to the Carmichael College Building Fund.

12. Instrumental Music – Private music lessons are invoiced directly by the instrumental teacher. Group instrumental lessons for students in Years 4 to 5 are free of cost. Instrument hire, for those students who require it, of \$50 per term will be invoiced at the start of each term with a once off instrument bond of \$50. The bond is refunded in full when the student ceases lessons and returns the instrument in good condition. Parents

are expected to pay all invoices before students will be permitted to participate in lessons.

13. Excursions, Camps and Extra-Curricular Activities – Excursions and camps are beneficial learning activities and are encouraged. The cost of these activities is **usually** included in the tuition fees. Where the cost of an excursion, camp, or other activity is significant, an amount will be **charged separately** during the term in which the event occurs. Before implementing these activities, teachers are required to consider the interests of students and the cost impact upon families, and justify the need for them to College management.

The cost of these separate excursions or camps must be **paid in full prior to the event**. Where tuition fees are outstanding, parents are expected to bring their account up to date before students will be permitted to attend the compulsory excursion or camp.

6.4 // FOOD ALLERGIES

CARMICHAEL COLLEGE IS A NUT AND EGG-FREE ZONE

Information on Food Allergies

A food allergy is an immune system response to a normally harmless food protein that the body believes is harmful. When the individual eats food containing that protein, the immune system releases massive amounts of chemicals, triggering symptoms that can affect a person’s breathing, gastrointestinal tract, skin, and/or heart. Anaphylaxis is the most severe form of allergic reaction and is potentially life-threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

It is estimated that up to 400,000 (2%) Australians, including 1 in 20 children suffer from food allergies and some of them will experience a life-threatening (anaphylactic) reaction.

Peanuts are the leading cause of severe allergic reactions, while egg is the most common allergen. Adrenaline is the first line treatment for severe allergic reactions and can be administered via auto-injector, called the EpiPen®/Anapen®.

To learn more about anaphylaxis and food allergies, you can visit the following websites:

www.allergyfacts.org.au

www.allergy.org.au

As the only way to manage a food allergy is avoidance, the College has implemented several strategies to help prevent a severe allergic reaction. We can never totally eliminate the risk of anaphylaxis but we can do all things that will help to lessen the risk.

Therefore, we have a no nuts and no egg policy at the College.

This means that **no nut products** are to be brought to school. This includes nut spreads such as peanut paste and nutella. Eggs and egg products are more complex. **No egg-based products** such as quiches, frittatas and egg sandwiches are to be brought to school. There are many other alternatives for lunchboxes.

7. > HEALTH & SAFETY

7.1 // GENERAL

The Bible tells us that our children are fearfully and wonderfully made by God (Psalm 139:14). Every hair on their little heads are numbered (Luke 12:7). Carmichael College recognises that protecting students from harm and the risk of harm is fundamental to maximising their personal and academic potential. For these reasons the welfare and best interests of your children will always be our primary consideration.

Carmichael College is strongly committed to the care and well-being of students and staff and this section describes policies on Child Protection, Bullying and Harassment, Sun Protection and Code of Conduct.

The interests of the students are best served when home and school are **united** in their approach. Parents are therefore required to support the policies and guidelines of the College. Policies may be varied at any time, and changes will be communicated by any of the following: announcement at a school assembly, publication in the College's newsletter, emails or notes to parents, through daily notices to students, or on the College website.

We expect our students to show respect to our staff, volunteers and other students, and comply with safe practices. Employees must ensure that their behaviour towards, and relationships with students, reflect proper standards of care for students and are not unlawful. The College will respond diligently to a report of suspected or actual harm, or risk of harm to a student.

7.2 // PROTECTION FROM HARM

a) What is harm?

Queensland legislation defines harm as any detrimental effect of a significant nature on the child's physical, psychological or emotional wellbeing. Harm can be caused by:

- > Physical, psychological or emotional abuse or neglect
- > Sexual abuse or exploitation
- > Domestic or family violence

b) How does the College try to prevent harm?

The Principal, and the Workplace Health & Safety Officer ensure that:

- > Staff understand and fulfil their obligations under the policies of the College
- > New staff provide an acceptable reference from their previous employer
- > Non-teaching staff and non-parent volunteers who have contact with children have a current positive suitability notice (Blue Card) issued by the Commissioner for Children and Young People and Child Guardian

c) How will the College help my child?

If the Principal receives a report of harm to your child, they will support the child by:

- > Responding rapidly and diligently to the report
- > Reassuring the student
- > Protecting the child's confidentiality as much as possible
- > Offering continuous support
- > Providing counselling if requested

d) What should you do if you become aware or reasonably suspect that harm has been caused to a student of the College by a member of staff, someone outside of the College or by other students?

You should report your concerns to the Principal or to any other College staff member.

e) What will happen next?

If you report your concerns to staff other than the Principal, staff will report it immediately to the Principal. If the complaint concerns the Principal then staff will report it to the Executive Director who is Chairman of the Carmichael Board. Any action that

needs to be taken under staff disciplinary procedures as a result of an allegation not requiring police intervention will be handled confidentially within the College.

It will be reported to police immediately if the harm relates to sexual abuse; or to the Department of Families if appropriate; or it may be dealt with internally if the matter does not require mandatory reporting to an outside authority.

f) What about confidentiality?

It is our policy that confidentiality between the College and parents will be respected and any concerns raised by parents will not rebound adversely on their children. Thus knowledge of it will be limited to the Principal, the Executive Director and those directly involved.

Each person who has access to information regarding suspected or disclosed harm has an obligation to observe appropriate confidentiality. However, the College is unable to promise absolute confidentiality since the steps of the Policy will require disclosing, internally and externally, certain details involved in responding to the report. State authorities can compel people to give evidence about actions under the Policy and to produce documents. You would be fully informed if information you provided were to be passed on to a third party.

g) What should I do if I require more information?

The College's complete Child Protection Policy is available at Reception. Parents and students may access this policy at any time upon request. Parents may make an appointment to discuss the policy with the Principal to clarify any matters.

7.3 // BULLYING (INCLUDING CYBERBULLYING)

a) Definition

By definition, bullying is "**repeated** oppression, psychological or physical, of a less powerful person or group by a more powerful person or group". It may be manifested in many ways e.g. harassment (verbal, sexual or psychological), victimisation, alienation, coercion, intimidation, exclusion, ostracism, discrimination. Bullying results in hurt, fear, loss of self-esteem and decreased social effectiveness for the victim.

In any form, bullying is not acceptable behaviour within Carmichael College because it is entirely contrary to the ideals of the school. In accordance with the College's behaviour

plan, Carmichael College seeks to eradicate bullying by developing in the classroom and publicly in assemblies:

- > The belief that all students belong here (Resilience Rule 1)
- > Student respect and concern for others, of all races and creeds
- > Student responsibility for their own behaviour
- > Critical and effective thinking and problem-solving skills in students
- > An environment that nurtures and promotes student self-worth.

b) Dealing with reports of bullying

The following steps are a guide to dealing with reports of bullying.

1. It is never acceptable to the College to turn a blind eye to bullying. If bullying is reported, staff will act immediately to ensure student safety.
2. A clear account of the incident will be recorded and given to the Principal or delegate.
3. The Principal or delegate will then work through the procedure in the College's Bullying Prevention Policy.

c) Help for students

Students who have been bullied will be helped and supported by:

- > reassuring the student
- > offering support
- > providing encouragement to form and maintain friendships with non-bullying students
- > discovering why the student became involved
- > establishing the wrong-doing and the need to change
- > enlisting the support of parents/care providers to help change the behaviour and the attitude of the bullied student, and the bully, where appropriate.

7.4 // SUN PROTECTION

When on College grounds, all students are required to wear College hats (see section on Uniforms) and sunscreen for all outdoor activities during all seasons, including winter. Sunscreen is provided by the College and kept in classrooms, and sports kits.

Where possible, events are organised outside peak UV radiation periods or are held in shaded areas. Sun protection issues are included in the health curricula. The College has a NO HAT, NO PLAY policy.

7.5 // CODE OF CONDUCT

- > The purpose of the Carmichael College Behaviour Management Plan is to facilitate an environment which equips students for life in the world and eternity, by applying Biblical principles through excellent education in a distinctly Christian environment. The Christian orientation of the College means that the responsibility of the students is to respect authority, be responsible and care for others. Students are encouraged to participate in and contribute to the broader life of the College.
- > Carmichael College has identified the following school rules to teach and promote our high standards of responsible behaviour:
 - Be safe
 - Be responsible
 - Be respectful.
- > Students are encouraged to participate in and contribute to the broader life of the College.
- > Students are expected to represent the College and its high standards of behaviour and dress at all times, including during travel to and from school and when in public. Students must understand that their behaviour at all times impacts the reputation of the College and the Carmichael community. Behaviours that adversely affect the well-being of the community will be investigated and dealt with according to the Behaviour Management Policy.
- > Standards of honesty, courtesy, modesty, and moral purity in action and language are to be maintained.
- > Students must remain in the grounds unless prior permission has been obtained from an approved College Officer. Students must be signed out at Admin by a parent or care provider when leaving before 3:00pm.
- > Students are expected to wear their uniforms consistent with the uniform policy.
- > Only natural foundation, clear nail polish and lip balm are permitted by students in Years 6-12, not Primary.
- > Boys hair - Faddish hairstyles including afro-style, tracks or untidy/unkept appearance are not acceptable. Ponytails and beards are unacceptable. 7.8 // HEALTH

a) Sick Students

It is paramount that if your child is sick to please keep them at home. Parents will be contacted by the College to collect students who exhibit signs of illness during the day.

b) First Aid

First Aid may be provided at school. In the case of a serious injury or illness, parents will be requested to take their child to a doctor or hospital. Where there is an emergency, the College will call for an ambulance to attend the scene and determine if it is necessary for the student to be transported to hospital.

c) Infectious Diseases

Please be considerate of your child's friends and teachers, and those students who are immune-compromised. The illnesses shown below spread quickly and easily through whole classes and families. Parents should ensure that children are appropriately vaccinated. This table should be read in conjunction with the ['time out' poster](#) published by the Queensland Department of Health.

ILLNESS	EXCLUSION PERIOD
Chicken pox	At least 5 days after last eruption when all blisters have crusted

This is in addition to the written authorisation for the administration of medication.

- > Talk to your kids about their Internet experiences, the good and the bad. Let them know it is okay to tell you if they come across something that worries them. (It doesn't mean that they're going to get into trouble.)
- > Teach your kids that there are ways they can deal with disturbing material – they should not respond if someone says something inappropriate and they should immediately exit any site if they feel uncomfortable or worried.
- > Teach children that information on the Internet is not always reliable.
